Today we are going to get into current affairs - with the perspective of historical background of Land Question

Last 3 years have been ones of immense activity in Indian affairs
we are trying to analyze out certain trends

Last time I was speaking of 3 trends of 1950's & 60's

1. Growth of BC Indian organizations
2. Legal strengthening of Indian case (White & Bob case)
3. Government actions showing willingness to settle Land Question

Today, follows these through to present | two - organizations developing
as responses to Gov't actions

BC Indian Organizations

Federal Gov't Action
