

Terms of settlement

This translates into

1. Real Estate - reserve lands or compensation for inadequate reserves that history has left them
2. Special rights - to the degree they want to live as Indians and need special rights to do so
 - hunting
 - fishing
3. Compensatory Services - to help adjust to modern life and compensate for a century of substandard services.

"Citizens Plus" This is more than just normal services which belong to every Canadian citizen by virtue of citizenship - it is services over and above - superservices to bring real equality

Special Education (to restore equality of ^{opportunity} education)
" Health & Welfare (to raise standard of health)
" Economic aid to raise standard of living

These as a matter of guaranteed right, not charity
