Dear Wilson:

Thanks for your letter of the 23rd. We're changing the deadlines in our records to September 1--but I should emphasize that the date is the true, final deadline, because delay past that date will cause us real problems. If you'll permit, I suggest the following priority, on the basis of comparative progress with the 3 volumes: (1) Tsetsaut; (2) Niska and Haida; (3) Art. I'd hope, then, that we could receive the Tsetsaut chapter by, say, 1 May, the Niska by 1 June, the Haida by 1 August, and the Art by 1 September.

Yours,

William C. Sturtevant
