"island in the Skeena"

"island in the inside of Skeena" situated below  
git som ye lam

Matthew Johnson

derived from road taken by canoes; the water being  
so swift in the middle of the Skeena they took that  
road in a large bay along the banks <sup>lo'dza</sup>  
in inside

"people of the way inside"  
had to be called git lo'dza but abbrev. since
