Dear Mr Tuff

First my thanks in putting me  
in touch with Peter McNeil. I have already  
written him and I expect a visit from one of  
the staff.

I enclose a copy of Henry Edenshaw's speech  
it might give you some insight into the character of  
this fine gentleman. My uncle W.E. Callison  
assured me that Henry was well read and  
had a good understanding of what he read and  
that he knew that Henry had composed the  
speech himself.

I am continue to write of bits of pieces most  
of them are made up of impressions and memories  
with a minimum of research. I propose to discuss  
a lot of this with various cousins some of whom  
will remember some of our early days of the Mass.  
Every little bit will help.

Yours sincerely

J Macdonald.
