

Mrs Kelly 731-2765

1. CFN's $\text{t}^{\text{h}}\text{a}^{\text{g}}\text{t}^{\text{g}}\text{o}^{\text{d}}\text{a}^{\text{s}}$ she heard as $\text{t}^{\text{h}}\text{a}^{\text{g}}\text{t}^{\text{g}}\text{o}^{\text{d}}\text{a}^{\text{s}}$
'to respect with your mind' 'his respecter'

2 $\text{k}^{\text{t}}\text{x}^{\text{e}}\text{n}$ - she thought was $\text{k}^{\text{t}}\text{l}^{\text{x}}\text{o}^{\text{g}}$ $\text{x}^{\text{o}}\text{g}$ is face
word face

or better, $\text{k}^{\text{t}}\text{l}^{\text{x}}\text{o}^{\text{g}}\text{g}^{\text{e}}\text{n}$ "face talking", "talking
face" "the image of something higher", "to
ingratiate yourself into something"

"moon birds"? something like $\text{h}^{\text{i}}\text{.l}^{\text{i}}\text{y}^{\text{a}}$ "bird that makes the
earth shake", "thunderbird"

She had heard of Capt. Gold. Thought he had lived a
 $\text{x}^{\text{i}}\text{.k}^{\text{a}}$. She remembers waiting near there on way to Duna
to get salmon, and picking berries.

Her mo. told her a story about Capt Gold taking all
his fishing gear out of his house at Second Beach when a niece
was having a baby (a ^{newborn} baby is something unclear)

She thought his 2nd Beach house was a smokehouse or
something - he had moved there from Maude Island -

Name of Second Beach $\text{l}^{\text{a}}\text{n}^{\text{a}}\text{x}^{\text{a}}\text{z}^{\text{z}}\text{w}^{\text{a}}\text{i}$ They built a
 $\text{p}^{\text{h}}\text{a}$ small wharf there 1898
for dogfish oil

She recognized $\text{t}^{\text{h}}\text{g}^{\text{a}}\text{.x}^{\text{e}}\text{t}$ as having to do with West
Coast - Sol Wilson and some of them.
