TSIMSHIAN

1. Room Change Chem 250 Tues.

- a. Tsimshian (14 tribes)
- b. Niska (4)
- c. Gitksan (7)

We had begun to talk about Tsimshian major ethnic division
I showed you habitat → wealth - 'opulent'
numbers

- In physical type - not set off as distinct type - 'Northern' - ^{ath} admixture

- In culture - generally speaking - 'Northern Province'

- In language - an intriguing difference - very distinct
no relation to neighbours

were classified as separate stock - CHIMMESYAN
now known to be related to people far south

Chinook 44c separation

Penutian Stock - California ^{ancient language family}

evidence of ancient migration of proto Tsimshian
from Oregon? California? up through interior
to Skeena Valley & down it to Coast.

no physical
cultural
archaeological } evidence of such migration
