

PLEASE HELP US

We live in Kyuquot - where there are no cars, no roads, where the children come to school by boat. The grade 5-7's of Kyuquot Elementary want to visit Vancouver, Victoria and the Okanagan this June on a school sponsored field trip.

So - we want to sell you, for \$10.00, a 70 frame color filmstrip which shows what life is like in Kyuquot - a small Indian fishing community on the West coast of Vancouver Island.

We have worked hard to make the filmstrip and are sure you will find it interesting. Proceeds go toward our trip out!
