Provincial Museum,
Buildings.

Dear Wilson:

Herewith the Haida material. It was made available to me for copying by Mrs. K. E. Dalzell of Prince Rupert on the understanding that it would not be available for public use until her book is completed. The originals were made by Mr. Charles Smith of Massett about whom Mrs. Dalzell writes "a manuscript given to me by an old gentleman in Massett who spent a great deal of time with the Haidas, when he was watchman for many years at Naden Harbor Whaling Station".

Yours sincerely,

Provincial Librarian & Archivist.
