Dear Peter

I just like to drop
you a few lines - regarding
our land claims the news which
we have received from one
of Wilson Duff colleague. He states
that the Kitwancool people should
obtain a lawyer due to dispute
between the Hista Claims and
Kitwancool land overlapping
within ours 10 miles from Terrace
~~together~~ and they are very strong
towards claiming part of our land.
~~including~~ ~~disputed~~.
And we'll have to get in touch
with Wilson Duff regarding
this. in order to get a lawyer.
Please give us yours
a call when you can. Walter Derrick.
